Additional Information

I have been an Assistant Scout Leader for 14 years where I have supported the delivery of a safe and exciting programme for Young People to ensure they develop as good rounded citizens.

I enjoy all aspects of keeping fit and in particular swimming and running for which I enter several half marathon events each year allowing me to have a personal challenge in this area.

Whilst not running half marathons I often volunteer as an Event Official and marshal these events ensuring the safety of all competitors and spectators.
